Kamilya Lowana White is a proud Aboriginal artist, born, raised and creating artworks in Naarm (Melbourne) on Wurundjeri Country. Ever since she was a child, she has been passionate about art, and enjoys creating with and exploring a range of techniques and mediums. Stemming from her Kija Bardi heritage on her father's side, Kamilya is particularly interested in creating contemporary Aboriginal paintings, inspired by the land, storytelling and relationships with others, all depicted with a modern twist. Kamilya finds this specific art style therapeutic and uses it to express and ground herself, while deepening her connection with culture.

The moody monochrome palette of Warlangem replicates that of a storm. It explores the connection we share with the physical environment and how it relates to our senses - we smell rain before it falls, feel the drops on our skin, hear the claps of thunder and see lightning strikes when we look to the sky.
